HRMS Schedule Overview

Each course will have a live (synchronous) component using Zoom following the school's daily schedule. Students should follow the schedule as outlined by the teacher in Schoology. Attendance will be taken and reported for each class.

All classes will begin on time according to our daily schedule (Day 1 - Day 5) and all current policies - deadlines, etc. - will be maintained. To allow for a truly flexible learning environment for our students, all lessons or classroom meetings that take place on Zoom will be automatically recorded to the cloud. Teachers will post the recordings into their Schoology courses after the recordings have been completed, those links will only be active for 48 hours.

From time to time, some classes may not meet online. Videos with assignment instructions will be shared for those classes via Schoology and are to be completed by students before the next online class meeting. Providing video along with written directions is essential to providing an inclusive and humanizing experience for students.

Teacher-Directed Independent Learning Time: Students are expected to engage in learning activities outside of synchronous learning times defined by the daily schedule. Student activities during Teacher-Directed Independent Learning Time may include, but are not limited to, the following:

- Independent/Group/Partner Practice on Teacher Assigned Work
- Videos Assigned by Teacher(s)
- Performance Tasks
- iReady Online Instruction
- One-on-one Time with Teacher(s)

Office Hours: Teachers will be available to provide direct, in real-time, support to students during office hours. Options for teacher availability during this time may include an open Zoom meeting and/or availability by phone to take calls from students needing direct assistance from teachers.

Targeted Student Support: Targeted Student Support time is allocated specifically for teachers to connect with individual students or small groups on either academic remediation, academic enrichment, or specific social emotional support.

Examples may include but are not limited to extra support for students who are struggling with specific academic concepts or work completion, students with Individual Education Plans, or students who desire regular check-ins with counselors.
